INDIANA UTILITY
REGULATORY COMMISSION

You are hereby notified that on this date the Indiana Utility Regulatory Commission ("Commission" or "IURC") caused the following entry to be made:

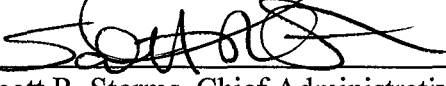

On July 27, 2007, Indiana Bell Telephone Company, Incorporated d/b/a AT&T ("AT&T Indiana") filed a *Verified Petition for Clarification* ("Motion"). In its Motion, AT&T requested clarification that it is acceptable to round the approved monthly USF surcharge of .538 percent to .54 percent of net intrastate retail telecommunications services.

On August 3, 2007, the Presiding Officers issued a Docket Entry that reflected approval to round the IUSF Surcharge amount to .0054 percent. While the ISUF Surcharge has been correctly applied to date, this Docket Entry is issued to clarify that the approved IUSF Surcharge is .538 percent and that it is acceptable to use a rounded surcharge of .54 percent.

IT IS SO ORDERED.

David E. Ziegner, Commissioner

Scott R. Storms, Chief Administrative Law Judge
